

## Mobile Phone Use

Students are allowed mobile phones in College.

Phones are not to be used during lessons or between lessons. Phones can be used at break time and lunch time ONLY.

Students are NOT to phone or text parents during school hours. If students are feeling unwell they will need to report to Student Reception. If students have a complaint they are to go through the correct channels in College.

The misuse of a mobile phone will result in it being confiscated, sent to Student Reception, to be collected at the end of the day.

In case of persistent offenders the phone will be confiscated and the parents will be called to collect the phone.
